**DETAILED ACTION**

*Allowable Subject Matter*

**Claims 4-6 and 9-13 are allowed in view of the prior art.**

The following is an examiner's statement of reasons for allowance:

As to claim 9, the prior art of record, taken either alone or in combination, fails to disclose or render obvious a fiber probe with a beam splitter contained in the probe to generate a reference beam and a measurement beam within the probe, these beams then being used with a modulation interferometer to further carry out measurements associated with the use of the probe, in combination with the rest of the limitations of the claims, as disclosed in the previous Office Action.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Michael A. Lyons whose telephone number is 571-272-2420. The examiner can normally be reached on Monday thru Thursday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Frank G Font can be reached on 571-272-2415. The fax phone number for the organization where this application or proceeding is assigned is (703) 872-9306.

Any inquiry of a general nature or relating to the status of this application or proceeding should be directed to the receptionist whose telephone number is 703-308-0935.
